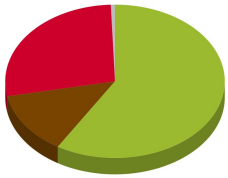
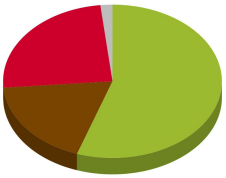
KPDSB Grade 8 Exit Survey (June 2022)

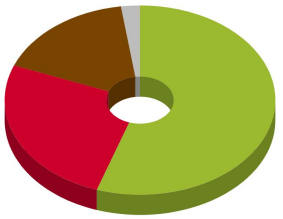
I have had opportunities to discover my strengths, interests and skills. (1 (strongly disagree) - 4 (strongly agree)



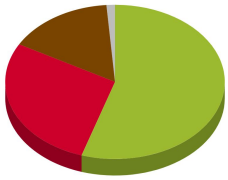
How helpful have these opportunities been? (1 (not helpful) - 4 (very helpful))



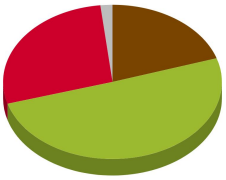
Overall, how prepared do you feel for the transition to high school? (1 (not prepared) - 4 (very prepared)

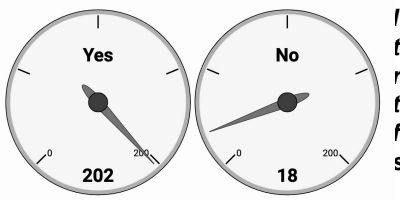


I have participated in activities that have helped me explore different areas of interest and future pathway opportunities. (1 (strongly disagree) - 4 (strongly agree)



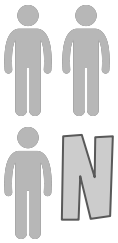
How helpful have these opportunities been? 1 (not helpful) - 4 (very helpful))



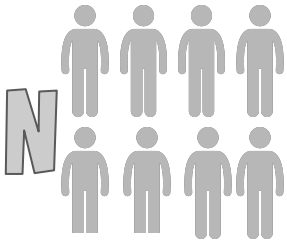


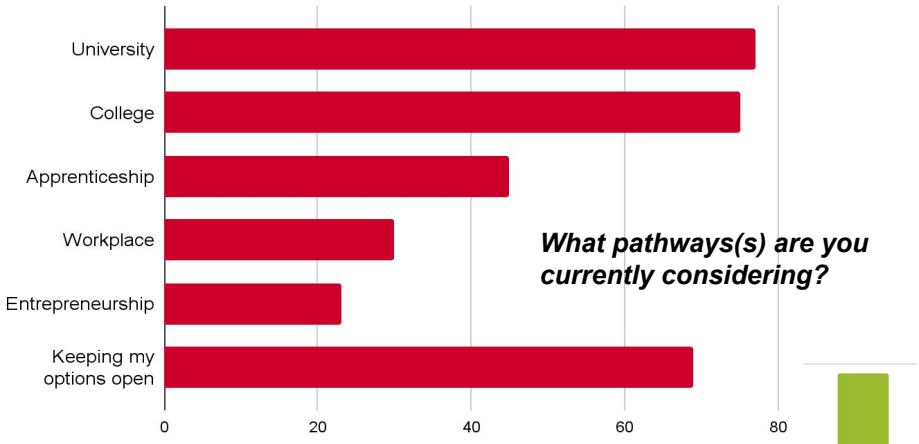
I am aware of the requirements to graduate from high school.

I have had opportunities to think about and discuss my future goals.

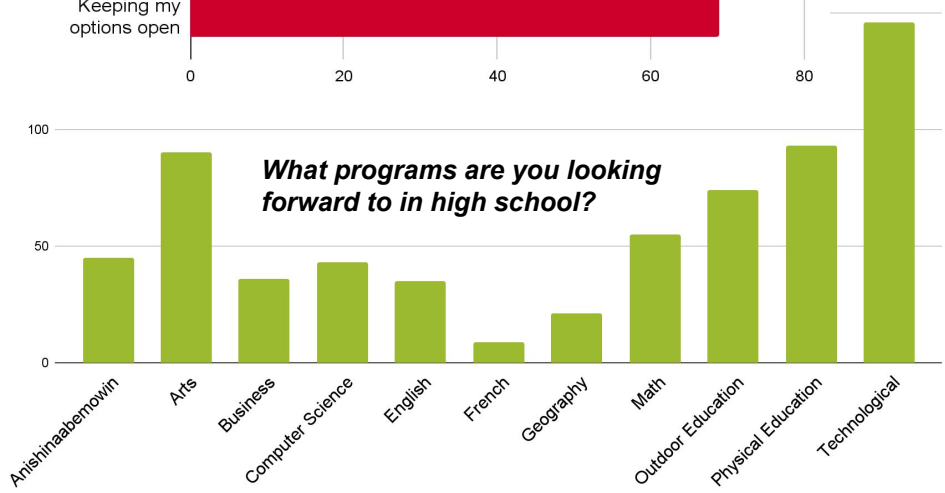


I have worked to develop a plan to achieve my goals.





What pathways(s) are you currently considering?



What programs are you looking forward to in high school?

HIGHLIGHTS

Was there an event or activity in Grade 8 that had a positive influence on your future plans?

music | math | art | seeing all kids of job opportunities and the people that work there | when the constable came in for pathways and talked about policing which sparked my interests | seeing all the jobs out there | basketball | the way my teacher teaches math | pathways activities in myBlueprint about budgeting, jobs, and more | I think that the snowmobile course was helpful and the presentation from a local tourist camp owner | the Arts | meeting different people in different professions | wood shop and welding | learning about the technology education courses | hairstyling | when we did welding | going to a welding shop | learning about a resume | the layout plans on my grade 9 courses makes me more confident | bridge building | fitness room tour | the tour of the communications technology program | coffee house | tours of the courses | volleyball tournament | going to the high school | the presentation | OYAP | leadership opportunities | every Google Meet we had with people really influenced me to think of other options | cosmo class | outdoor education | the cooking class | meeting the teachers for the courses you can choose next year | Dragon's Den | outdoor ice survivial, snowmaching check ups | getting ready to volunteer | visits to the high school | when Mr. Kloepfer taught us about trades | my teacher
